

# Curriculum Vitae

Updated at 6/8/2025

**Ali Jafari-Khounigh**  
**Assistant Professor of Epidemiology**

**Address:**

**Work:** Department of Statistics and Epidemiology, Faculty of Health, Attar-e Neyshaburi St., Tabriz, Iran.  
Road Traffic Injury Research Center (RTIRC), Khiabani St., Golshahr Sq., El-Goli Ave., Tabriz, Iran.

**Mobile:** +98 914 417 2787

**E-Mail:** [jafarali77@gmail.com](mailto:jafarali77@gmail.com) ; [Jafari.ali@tbzmed.ac.ir](mailto:Jafari.ali@tbzmed.ac.ir)

## Education

- ✓ 2022, Ph.D. of Epidemiology: Kerman University of Medical Sciences, Kerman, Iran. (GPA: 18.47 out of 20; Thesis score: 20 out of 20)
- ✓ 2014, M.Sc. of Epidemiology: Tehran University of Medical Sciences. Top 10%, Tehran, Iran. (GPA: 17.16 out of 20; Thesis score: 20 out of 20)
- ✓ 2003, B.Sc. of Public Health: Kashan University of Medical Sciences. Top 10%, Kashan, Iran.
- ✓ 1998, Diploma: Experimental Sciences. Top 1%, Tabriz, Iran.

## Software

Windows, Android, Microsoft Office (Word, power point, Excel, Access), SPSS, STATA, EndNote, Mendeley, PS (Power and Sample size), Pass, G-Power, Epi-Info, Spectrum, OneHealth, AMOS, Lisrel, Open Refine, Vensim, DAGitty and ArcGIS (a little).

## Languages

Azerbaijani Turkish (mother tongue), Persian, English (TOEFL), Turkish, (Arabic and German: a little)

## PhD Thesis Title

Investigating the Potential Impacts of Lake Urmia Drying up on the Health of People in the Region

## Professional Experiences

Title	Place	From	Until
HSE (Health, Safety, Environment) expert	Tabriz Petrochemical	July 2007	November 2007
Expert supervisor of health houses	Azarshahr health and treatment network	August 2008	November 2011
Expert of Azarshahr Center for Disease Control	Azarshahr health and treatment network	November 2011	October 2016
Expert in charge of research projects	Azarshahr health and treatment network	May 2012	December 2015
Expert in charge for network expansion	Azarshahr health and treatment network	May 2015	September 2017
Technical manager	Azarshahr health and treatment network	December 2015	September 2017
Deputy head of Azarshahr health center	Azarshahr health and treatment network	July 2016	September 2017
Head of Marand Health Center	Marand health and treatment network	September 2019	March 2021
Researcher at Road Traffic Injury Research Center	Road Traffic Injury Research Center	March 2021	April 2025
Head of Methodological Consulting Department	Road Traffic Injury Research Center	March 2023	April 2025
Executive Director of the Road Traffic Injury Research Center	Road Traffic Injury Research Center	April 2023	May 2025
Executive Secretary and Chairman of the Executive Committee	National Festival of Knowledge Translation in the field of Safety, Accidents, and Disasters	September 2023	For 2 years
Member of Scientific Committee's Health and Traffic Working Group	National Festival of Knowledge Translation in the field of Safety, Accidents, and Disasters	September 2023	For 1 year
Member of Health and Traffic Department	Faculty of Health, Tabriz University of Medical Sciences	October 2023	Now
Core member of the University's Infection Control and Stewardship Committee	Tabriz University of Medical Sciences	March 2024	Now
The coordinator of the Iranian Epidemiological Association, Northwest Branch	Tabriz University of Medical Sciences (Northwest of Iran)	May 2024	Now
Vice-president for Research	Road Traffic Injury Research Center	May 2024	Now
Member of Department of Statistics and Epidemiology	Faculty of Health, Tabriz University of Medical Sciences	April 2025	Now

## Teaching

Title	Grade	Field of Study	Semester	Educational year	Units	Faculty	university
Principles of epidemiology	BSc	Public Health	2	2016-17	2	Health	Tabriz University of Medical Sciences
Principles of epidemiology	BSc	Environmental Health	2	2016-17	2	Health	Tabriz University of Medical Sciences

Research Methods	BSc	Biology	2	2017-18	2	Health	Kerman University of Medical Sciences
Research Methods (1)	DDS	Dentistry	1	2019-20	1	Dentistry	Tabriz University of Medical Sciences
Advanced epidemiology (2)	DDS	Dentistry	1	2019-20	2	Dentistry	Tabriz University of Medical Sciences
Family and community epidemiology	MSc	Midwifery	1	2019-20	2	Nursing and Midwifery	Tabriz University of Medical Sciences
Epidemiology and Demography	MSc	Midwifery	1	2019-20	2	Nursing and Midwifery	Tabriz University of Medical Sciences
Epidemiology and qualitative research	BSc	Health Economy	1	2019-20	2	Medical Informatics	Tabriz University of Medical Sciences
Research Methods (2)	DDS	Dentistry	2	2019-20	2	Dentistry	Tabriz University of Medical Sciences
Advanced epidemiology (1)	DDS	Dentistry	2	2019-20	2	Dentistry	Tabriz University of Medical Sciences
Principles of epidemiology	BSc	Health Information Technology	2	2019-20	2	Medical Informatics	Tabriz University of Medical Sciences
Advanced epidemiology (2)	DDS	Dentistry	1	2020-21	2	Dentistry	Tabriz University of Medical Sciences
Principles of epidemiology	BSc	Health Information Technology	2	2022-23	2	Medical Informatics	Tabriz University of Medical Sciences
Principles of epidemiology	MSc	Health and Traffic	1	2023-24	1.5 of 3	Health	Tabriz University of Medical Sciences
NCDs epidemiology	MSc	Epidemiology	1	2023-24	0.5 of 2	Health	Tabriz University of Medical Sciences
Traffic and safety	MSc	Medical Informatics	1	2023-24	0.5 of 1	Medical Informatics	Tabriz University of Medical Sciences
Traffic and safety	MSc	Medical Informatics	1	2023-24	0.5 of 1	Medical Informatics	Tabriz University of Medical Sciences
Principles and methods of epidemiology	MSc	Biostatistics	2	2023-24	1 of 3	Health	Tabriz University of Medical Sciences
Injury epidemiology	MSc	Epidemiology	2	2023-24	0.75 of 2	Health	Tabriz University of Medical Sciences
Traffic epidemiology	MSc	Health and Traffic	2	2023-24	0.5 of 2	Health	Tabriz University of Medical Sciences
Principles of epidemiology	BSc	Health Information Technology	2	2023-24	2	Medical Informatics	Tabriz University of Medical Sciences
Principles of epidemiology	MSc	Health in Disasters	1	2024-25	2	Medical Informatics	Tabriz University of Medical Sciences
Principles of epidemiology	MSc	Health and Traffic	1	2024-25	1.5 of 3	Health	Tabriz University of Medical Sciences
Principles of epidemiology	MSc	Waste Management	1	2024-25	1 of 2	Health	Tabriz University of Medical Sciences
Principles and methods of epidemiology	MSc	Biostatistics	1	2024-25	0.5 of 2	Health	Tabriz University of Medical Sciences
Principles of epidemiology	BSc	Nursing	2	2024-25	2	Nursing and Midwifery	Tabriz University of Medical Sciences
Injury epidemiology	MSc	Epidemiology	2	2024-25	0.75 of 2	Health	Tabriz University of Medical Sciences
Traffic	MSc	Health and	2	2024-25	0.5 of	Health	Tabriz University of

epidemiology		Traffic			2		Medical Sciences
Specialized English Language	MSc	Health and Traffic	2	2024-25	1 of 2	Health	Tabriz University of Medical Sciences

## Workshop Teaching

Title	Target group	Duration	Year	University
A series of workshops on research methods, proposal writing, Introduction to SPSS, statistical methods, and article writing	BSc students	8 hours (4 sessions of 2 hours)	2017	Zarand Faculty, Kerman University of Medical Sciences
Research method in medical sciences	BSc students	4 hours (2 sessions of 2 hours)	2018	Zarand Faculty, Kerman University of Medical Sciences
General statistics and determining the appropriate statistical method in research	Faculty members	4 hours (2 sessions of 2 hours)	2018	Zarand Faculty, Kerman University of Medical Sciences
Research method in medical sciences and proposal writing	MSc, MD, and PhD students	8 hours (4 sessions of 2 hours)	2018	Kerman University of Medical Sciences
Winter school workshops: proposal writing and practical exercises	Students	4 hours (2 sessions of 2 hours)	2018	Kerman University of Medical Sciences
Research method in medical sciences	Academic staff and residents of Afzalipur Teaching Hospital, Kerman	8 hours (4 sessions of 2 hours)	2018	Kerman University of Medical Sciences
Spectrum and OneHealth software	MSc and PhD students	2 hours	2019	Kerman University of Medical Sciences
Spectrum and OneHealth software	Participants of the 9th Congress of Epidemiology	3 hours	2019	Shahid Beheshti University of Medical Sciences
Health Impact Assessment (HIA) and its application in urban projects	Officials of Kerman city departments	2 hours	2022	Kerman University of Medical Sciences
Case Control Method	Researchers	2 hours	2024	Tabriz University of Medical Sciences
Case Crossover Method	Researchers	2 hours	2024	Tabriz University of Medical Sciences

## Papers (published)

1. Ali Nayerpour, Sepide Shakeri-Gavgani, Azra Mamaghanian, Parinaz Rezaokht-Mamaghani, Soheila Shakeri-Gavgani, Jila Mahmoudi, **Ali Jafari-Khounigh\***. The study of Congenital Hypothyroidism prevalence using screening in Azarshahr, East Azerbaijan province, Iran, 2011. *Depiction of Health*, 2013; 3(4): 22-27. (Persian)
2. Mahdi Mokhtari, Morteza BanayeJeddi, Aazm Majidi, **Ali Jafari-Khounigh**, Kourosh Holakoe-Naeeni. Community assessment for identification and prioritization of problems to establish health promotion operational plans. *Journal of Research & Health*, 2013; 3(1): 296-304.

3. Mohammad Ebrahimi-Kalan, Shahnaz Rimaz, Mohammad Asgharijafarabadi, Ladan Abbasian, Maryam Dastoorpour, Hassan Yekrang-Sis, **Ali Jafari-khounigh**, Hassan Gharibnavaz. Validity and Reliability of Iranian Version of the HIV/AIDS Stigma Instrument-PLWHA (HASI-P). *Health Promotion Perspectives*, 2013; 3(2): 194-205. (Indexed by PubMed)
4. **Ali Jafari-Khounigh**, Ali Akbar Haghdoost, Shaker Salari Lak, Ali Hossein Zeinalzadeh, Reza Yousefi Farkhad, Mehdi Mohammadzadeh, Kourosh Holakouie Naieni. Size Estimation of Most-at-Risk Groups of HIV/AIDS Using Network Scale-up in Tabriz, Iran. *Journal of Clinical Research & Governance*, 2014; 3: 21-26.
5. **Ali Jafari-Khounigh**, Ali Nayerpour, Alireza Mahboub-Ahari, Jila Mahmoodi, Parinaz Rezadokht-Mamaghani, Mohammad Ebrahimi Kalan, Morteza Banaye Jeddi. Epidemiology of Animal Bites in Azarshahr town: A Cross-sectional Study of Key Determinants. *Depiction of Health*, 2015; 5(4): 21-26. (Persian)
6. Ali Hossein Zeinalzadeh, Somaieh Saiyarsarai, **Ali Jafari-Khounigh**, Joaquim J.F. Soares. Incidence of suicide in East Azerbaijan Province, Iran. *Social Determinants of Health*, 2016; 2(2): 61-69.

## Papers Presented in Conferences

1. Shahnaz Rimaz, Mohammad Ebrahimi-Kalan, Safoora Gharibzadeh, Effat o Sadat Merghati-Khoyi, Elham Zandyan, Saharnaz Nejat, Reza Majdzadeh, **Ali Jafari-Khounigh**. Factors associated with Mental Health of Women Prisoners in Tabriz Central Prison. 7<sup>th</sup> Iranian Epidemiology Congress. May 2013. Yasuj University of Medical Sciences, Yasuj, Iran.
2. Shahnaz Rimaz, Mohammad Ebrahimi-Kalan, Safoora Gharibzadeh, Effat o Sadat Merghati-Khoyi, Elham Zandyan, Saharnaz Nejat, Reza Majdzadeh, **Ali Jafari-Khounigh**. Social Capital and Mental Health in Women Prisoners in Tabriz Central Prison. 7<sup>th</sup> Iranian Epidemiology Congress. May 2013. Yasuj University of Medical Sciences, Yasuj, Iran.
3. Banaye Jeddi, Morteza; Karimi, Hassan; Hamednia, Safar; Hosseini, Alireza; Arzanlu, Mohammad; Sadeghpour, Saleh; Raen, Nair; Khoshbu, Saleh; Mokhtari, Mehdi; **Jafari-Khounigh, Ali**. Prevalence of depressive disorder in women of West Azarbaijan province: a population-based study. International Women's Health Promotion Congress. September 2013. Urmia University of Medical Sciences, Urmia, Iran. (Farsi)
4. **Jafari-Khounigh, Ali**. Prevalence of thalassemia in marriage applicants and the effect of counseling on applicants' withdrawal from marriage in Azarshahr city in 2013. The second national conference of thalassemia, opportunities and challenges. October 2014. Ramsar, Iran. (Farsi)
5. Azra Mamaghanian, **Ali Jafari-Khounigh**, Parinaz Rezadokht, Alireza Afsari. Epidemiological pattern of brucellosis in Azarshahr, East Azerbaijan (2011-2015). National Conference of Brucellosis. September 2016. Maragheh, Iran.
6. **Ali Jafari-Khounigh**, Ilnaz Iranzad Khiyabani, Mohsen Nouri, Jila Mahmoodi. Epidemiological pattern of deaths caused by traffic accidents in East Azerbaijan, Iran. 24<sup>th</sup> International Conference on Safe Community. Journal of Injury and Violence Research, 2019; 11(4 Suppl 2): 136. (Indexed by PubMed)
7. Dashti M, Vakili M, Dahim M, Farahbakhsh M, Torabi F, Bagerpour H, Moharami E, **Jafari-Khounigh A**. Investigation of traffic behavior in driving accidents in Azarshahr city drivers. 24<sup>th</sup> International Conference on Safe Community. Journal of Injury and Violence Research, 2019; 11(4 Suppl 2): 136. (Indexed by PubMed)
8. **Ali Jafari-Khounigh**, Ali Akbar Haghdoost, Vahide Zarea gavgani, Zahra Khorrami, Farzaneh Zolala. The Relationship between Ambient Air Pollution and Migraine: A Systematic Review. 9<sup>th</sup> Iranian Congress of Epidemiology. October 2019. Shahid Beheshti University of Medical Sciences, Tehran, Iran.

## Books

1. Injury Epidemiology. Tabriz 2024. Translated to Persian from English original book: Leon S. Robertson. Injury Epidemiology (Fourth edition)

## Thesis supervisor/advisor

Title	Grade	Field of Study	Year	Role	Status
The State of the Teaching Methods Used in Library and Information Science Education in Iran and Determination of Applicable methods from the Perspective of the Faculty Members	MSc	Medical Librarianship	2019	Advisor	Finished
Examining the frequency and factors affecting the injuries of rescue workers in response to traffic accidents in East Azerbaijan province: between 2018-2022	MSc	Health and Traffic	2023	Advisor	in process
Association between mobile phone use and pedestrian accidents leading to hospitalization: a case-crossover study	MSc	Epidemiology	2024	Advisor	in process
Size Estimation of Most at risk Population of HIV/AIDS using Generalized Network Scale-Up Method in Tabriz, 2024	MSc	Epidemiology	2024	Advisor	in process
An observation of the student's passing behavior with their parent around primary schools in Tabriz before and after educational intervention	MSc	Health and Traffic	2024	2 <sup>nd</sup> Supervisor	in process

## Research projects

Title	Year	Status
Investigating the prevalence of depressive disorder and its affecting factors in the population over 15 in West Azerbaijan, 2011	2012	Finished
Compilation of the pharmacopeia of Shahid Madani hospital pharmacy in Azarshahr	2013	Finished
Size Estimation of Most-at-Risk-Population of AIDS using network scale-up in East Azerbaijan province	2016	Finished
National project to investigate the mortality of pregnant women in Iran during 2016-2018	2019	Finished
The Potential Impacts of Lake Urmia Drying up on the Health of People in the Area	2019	Finished
Development of the Iranian Traffic Health & Safety Cohort	2020	in process
Development and validation of a tool for measuring people's knowledge, attitude, and behavior (KAP) about distraction while driving	2021	in process
A systematic review of the effect of ambient air pollution on migraine headaches	2022	Finished
Clustering Countries Based on the Trend of Covid-19 Mortality Rates	2022	Finished
Trends and projection of incidence and mortality of HIV in the Middle East and North Africa Region (1990-2019)	2022	Finished
Designing and evaluating health data linkage algorithm in integrated road traffic injury registry system	2022	in process
Development of Manchester Driving Behavior Questionnaire based on technology changes in the last two decades	2023	in process
Investigating the effect of addiction treatment drugs on the occurrence of road traffic accidents among drivers who are recovering from addiction in Tabriz	2024	in process

Investigating riding behaviors of motorcyclists at intersections of Tabriz	2024	in process
Investigating the burden attributed to blindness, low vision and the most important causes of blindness due to each of the metabolic, behavioral, environmental and occupational risk factors in the world countries between 1990 and 2021 projection of them by 2050	2024	in process
Assessing the impact of urban traffic and transportation policies and plans on the public health of Tabriz residents	2025	in process

## Some Other Experiences

- Collaboration in developing the educational curriculum for the PhD degree in the field of Health in Transportation
- Reviewing academic articles in prestigious international journals
- Reviewing theses and research projects
- English Editor of the "Health and Development Journal" affiliated with Kerman University of Medical Sciences (2018-2019)
- Epidemiology and Statistical Advisor of the "Depiction of Health" Journal, affiliated with Tabriz University of Medical Sciences (2025-now)
