

Curriculum Vitae

Nafiseh Ghassab-Abdollahi

Place of Birth: Tabriz

Postal Code: 5165665931

Tel: +9835244909 **Mobile:** +989144119931

Email Address: nnn.gassabnnn@gmail.com
GhassabAbdollahi@tbzmed.ac.ir

ORCID ID: orcid.org/0000-0002-9926-4588

Google Scholar-based H Index: 9

Department: Geriatric Health

Institution: Faculty of Health Science, Tabriz University of Medical Sciences, Tabriz, Iran

Qualifications

- BSc in Midwifery, (2012) (Tabriz University of Medical Sciences, Tabriz, Iran)
- MSc in Midwifery, (2019) (Tabriz University of Medical Sciences, Tabriz, Iran)
- Ph.D. in Gerontology, (2023) (Tabriz University of Medical Sciences, Tabriz, Iran)

Awards

- Ranking 2 in Ph.D. Test.
- Recognized Students in Tabriz University of Medical Sciences, (MSc). (Member of Talented Student Office) (2019).
- Recognized Students in Tabriz University of Medical Sciences, (Ph.D.). (Member of Talented Student Office (2022).
- Premier Researcher Student in Tabriz University of Medical Sciences (Ph.D.), 2022.
- Selected student project in the 5th International Alavi Congress, 2022.
- Silver medal of the American International Invention Competition (Silicon Valley), 2024.

Thesis Titles

- **The topic of MSc thesis:** The effect of Mullein capsule on uterine leiomyomas volume and the amount of menstrual bleeding: A randomized controlled trial
- **The topic of Ph.D. thesis:** Investigating the status of medication error and explaining its causes among illiterate and low literate older adults with polypharmacy: a sequential mixed-methods study

Educational Experience

- Midwifery educator in Marand Azad University
- Teaching of Gerontological related topics in Geriatric Health Department

Administrative Experiences

- Tabriz health center employee from 2012-2014
- Assistant Professor at Tabriz University of Medical Science from 2023.

Scientific Activities

- Member of the Central Council of the Scientific Association of Gerontology and Geriatrics
- Secretary of the Scientific Association of Gerontology and Geriatrics
- The best secretary among the secretaries of student scientific associations
- The Research Officer of the Student Research Committee of Tabriz University of Medical Sciences

- Educational assistant of Geriatric Health Department
- Head of Geriatric Health Department

Full paper published in Peer reviewed journals

Presentations (Oral/Poster)

1. The effect of centchroman on mastalgia: a systematic review (Oral presentation in 3th International Conference on New Findings in Midwifery, Women, Maternity and Infertility (ICMWMI 2021))
2. The effect of Mullein capsule on uterine leiomyomas volume and the amount of menstrual bleeding: A randomized controlled trial (Oral presentation in 11th National Conference on Medicinal Plants and Sustainable Agriculture)
3. The effects of Vitex agnus-castus on menstrual bleeding: A systematic review and metaanalysis (Oral presentation in 5th International Conference on Obstetrics, Infertility and Mental Health)
4. Association of quality of life with physical activity, depression, and demographic characteristics and its predictors among medical students (Oral presentation in 1st International Conference on Educational Science, Psychology, Sport Science, and Physical Education)
5. Objective and Subjective Investigation of Physical Activity Levels and Its Relation with Socio-Demographic Characteristics among Medical Students (Oral presentation in 8th International Conferences on Health, Treatment and Health Promotion)
6. The prevalence of “potentially inappropriate prescribing” among older adults in community settings: An umbrella review (Oral presentation in 5th international Alevi meeting)
7. The effects of fennel on menstrual bleeding: A systematic review and meta-analysis (Poster presentation in 3rd International Congress and 4th National Conference on Biotechnology of Medicinal Plants & Mushrooms)
8. Exploring the reasons for self-administration medication errors among community-dwelling older adults with polypharmacy: A qualitative study; in the 2nd Healthy Aging Congress (6th Abass Alavi meeting) held on 14-15 May 2024 in Tabriz, Iran.
9. The effects of Huperzine A on dementia and mild cognitive impairment: an overview of systematic reviews in the 2nd **International Healthy Aging Congress** (6th Abass Alavi meeting), **Poster** held on 14-15 May 2024 in Tabriz, Iran.
10. Self-administration medication errors at home and its predictors among illiterate and low-literate community-dwelling older adults with polypharmacy: A negative binomial hierarchical regression in the 2nd **International Healthy Aging Congress** (6th Abass Alavi meeting), **Poster**, held on 14-15 May 2024 in Tabriz, Iran.
11. The relationship between usual daily physical activity with bone serum markers and demographic characteristic in postmenopausal women, **Oral Presentation**, 1st **International Conference** on Health, Hygiene and Education, Iran. 2023.

Research Projects

1. The effects of Huperzine A on dementia and mild cognitive impairment: An overview of systematic reviews, 2021.
2. Effect of *Citrullus colocynthis* on glycemic factors and lipid profile in type II diabetic patients: a systematic review and meta-analysis, 2021.
3. The effect of *Salvia officinalis* on blood glycemic indexes and blood lipid profile in diabetic patients: A systematic review and meta-analysis, 2021.
4. HYSSOP and POLIUM could help to prevent COVID-19 in high-risk population: The results of a parallel randomized placebo-controlled field trial, 2020.
5. Prevalence of potentially inappropriate medication use among community-dwelling elderly: a review of systematic review studies, 2021.
6. Examining the status of medication errors in illiterate and low-educated elderly with polypharmacy and explaining the reasons related to it and providing a solution: a sequential descriptive mixed method study.
7. Investigating and diagnosing primary osteoporosis in postmenopausal women aged 50-65 in Tabriz.
8. The relationship between air pollution and frailty syndrome in the elderly: a systematic review.
9. Effective interventions to improve social adjustment in the elderly: a scoping review
